Subject: Call for applicants for Executive and General Member

Dear all,

Kathmandu University Robotics Club (KURC) is an inter-departmental club working towards the improvement of Robotics in and out of Kathmandu University. Every year new board members, are selected for the term of one year, to manage the activities and projects within the club as well as general members to operate the club smoothly. We, therefore invite the applicants for the following positions:

Position (number of required applicants)

1. Executive members (5)
2. General members (25)

Qualification:

1. The position for executive member is open to all members and non-members of club and the applicants should be either in second year or third year of their four-year Undergraduate study.
2. The application for general members is open to all.

Applicants for Executive member should send the following attachments:

1. Curriculum Vitae
2. KU/KURC ID card
3. Short paragraph explaining your motivation behind the application 200-600 words.

The applicants should merge the above-mentioned attachments into a pdf and send it via email to: kurc@ku.edu.np with subject as

Subject: EXECUTIVE:LASTNAME_FIRSTNAME

Example: EXECUTIVE:SILWAL_JANARDHAN

General Members are required to only fill the form.

The form can be found in the link <http://bit.ly/Membership-form>

Please note the following deadlines:

Executive members: **Wednesday September 19, 2018**

General members: **Sunday September 23, 2018**

.....
Janardhan Silwal
Secretary, Kathmandu University Robotics Club
